## CERTIFICATE OF OBLIGATION

Gunnebo Bazancourt SAS has applied for the product certification for

**Safes of resistance grade I according to EN 1143-1:2005+A1:2009**  
Series FICHET-BAUCHE CARENA I  
(Types 40, 80, 120, 150, 160, 240, 250, 370, 540, 640)

with the European Certification Body GmbH accredited to EN 45011 in compliance with section 2 of the Certification Guideline ECB●S C10.

The undersigned company confirms having knowledge of

- the European Standard EN 1143-1:2005+A1:2009,
- the Certification Guideline ECB●S C10 (in its latest version),

and unconditionally accepts them as binding.

The certificate holder declares that he will affix the certification mark only on products for which a product certification has been issued by ECB and which comply with the technical documentation listed in the certificate.

weight:                                1000 kg

The right to carry the certification mark for the certified types of the **FICHET-BAUCHE CARENA I-series** shall expire on **Sunday, 14 February 2016**. It may be renewed upon request of the applicant by the European Certification Body GmbH if the products are in conformity with the then applicable edition of the European Standard EN 1143-1.

Certified FICHET-BAUCHE CARENA I-types shall exclusively be equipped with high security locks according to EN 1300 which are listed both in the approved technical documentation and in the lock list ECB●S R01.

Furthermore please find attached to this letter:

- 1 The *Certification Guideline (ECB●S C10)*, September 2010
- 2 The *Certificate of Obligation* from 15 February 2012 which you are kindly requested to sign and return to us by

**Wednesday, 14 March 2012.**

We draw your kind attention to para 3.2.5 of the Certification Guideline (ECB●S C10) and kindly request you to inform ECB of the manufacturing dates of Safes of the resistance grade I according to EN 1143-1:2005+A1:2009 well in advance.

Certification marks are consecutively numbered and supplied by the headquarters of the certification body against payment. Please let us know how many you need.

Pursuant to para 5.1 of the Certification Guideline (ECB●S C10) certification marks may only be affixed to Safes that comply with the type and measurements specified in the technical documentation and for which the certificate holder has been granted the right to carry the certification mark.

Yours sincerely

  
Dr. Markus Heering
